

2018-2019 Workshop Schedule

The one-day workshops listed below are designed for professionals working in the field of onsite wastewater treatment, dispersal, and maintenance. The workshops are designed to meet the needs of installation contractors, sanitarians, system designers, time of transfer inspectors, and others who work in this field. These workshops qualify for Time of Transfer CEUs. All workshops listed below are **6 CEUs** (other than the Time of Transfer Inspector Training). These workshops may also qualify for other Onsite CEU requirements.

NEW WORKSHOP HOURS are listed to the left. These hours will apply to all the one-day workshops listed below, excluding Basics of Onsite and Time of Transfer.

NEW One-Day Workshop Hours:
Registration 8:30am – 9:00am
Class 9am – 12:00pm
